Dear Client,

The following checklist includes updates from us and tasks you must complete over the next few weeks.

### **Post-Settlement Checklist**

#### **1. Collection of Medical Records**

- a. If you have not turned in your medical records, or if the medical records you turned in are insufficient for a strong claim, we are now ordering medical records through a trusted third party.

#### **2. Signed Affidavit**

- a. Claimants need to submit either 1) a signed affidavit of usage or 2) medical records that meet a long list of criteria subject to judicial approval. Therefore, we need *everyone* to sign and return an affidavit to ensure maximum compensation.
- b. We will *start* sending out affidavit templates on October 28, 2024.

#### **3. Select Your Settlement Program**

- a. AFTER we review your records, you will need to decide which settlement option works best for you:
  - i. **EPP (Expedited Pay Program):** This option offers quicker payment but may involve a smaller dollar amount.
  - ii. **FEP (Full Evaluation Program):** This option involves a comprehensive evaluation that could result in a higher *or* lower payout than the EPP depending on your circumstances.
- b. For more information about both programs and to help you decide, please review the details [here](#).

#### **4. Log Into the Settlement Portal**

- a. Once you've made your selection, log into the settlement portal using your date of birth and Social Security number. You can access the portal [here](#).
- b. Inside the portal, you will need to complete the following:
  - i. **Sign the Release Form**
  - ii. **Sign the Authorization Forms**
  - iii. **Sign the Enrollment Form**

Failure to sign the forms = no settlement check. Please ensure that they are signed and submitted by December 10, 2024.

Sincerely, Ron Austin
